Attached is your 2018 IFTA license. You are required to make legible copies of the license so that one copy is carried in each vehicle. The IFTA member jurisdictions are no longer listed on the license; however, the license is valid in all current IFTA member jurisdictions or new member jurisdictions when they join during 2018.

The 2018 IFTA decal must be visible and placed on both sides of the exterior portion of the cab. Failure to display the decal in the required locations may subject the operation to the purchase of a trip permit.

These 2018 credentials may be displayed and are valid any time, beginning December 1, 2017. However, each vehicle **must** carry the credentials by March 1, 2018.
